

Food Truck Events

Simply pick a limited menu of 3 entrees and 2 sides and your good to go. Your guests will order at our window and will be served right away in disposables that need only a trashcan for self clean-up. We can also include canned pop & bottled water. We keep a tab of what is ordered and charge you accordingly. Our minimum for this type of event is \$800.

There is a 19% service charge applied to provide staffing for fast and friendly service. There may also be a travel fee if your event is beyond 50 miles.
